2018 Speaker at Host-Pathogen Communication meeting (Weizmann Institute, Israel)

Major Collaborations

Professor M. Yamamoto	Tohoku Medical Megabank Organisation, Sendai, Japan
Professor T. Suzuki	Dept. of Biochem. and Mol. Biol., Tohoku University, Japan
Professor Karsten Hiller	Helmholtz centre for Infection Research, Braunschweig.
Dr. R. Lin	Immune signaling, McGill University, Canada
Professor F. Schopfer	Lipid chemistry, University of Pittsburgh, USA
Professor J.J. Miner	Washington University in St. Louis, USA.
Professor T. Taguchi	Tohoku University, Japan.
Professor K. Fitzgerald	UMASS, Boston, USA
Professor S. R. Paludan	Dept. Biomed., Aarhus Uni., Denmark
Professor Alcamì	Centro de Biología Molecular Severo Ocha (CBMSO)
Professor Yongluo Luo,	Dept. Biomed., Aarhus Uni., Denmark
Professor John Hiscott	Pasteur Institute, Rome, Italy
Professor Thomas Poulsen	Dept. Biomed., Aarhus Uni., Denmark
Professor Albená Dinokova-Kostova	Dundee University, UK
Professor Luke O'Neil	Trinity College, UK
