Født d. 29.03.79

ORCID: 0000-0003-3963-7212

Uddannelse

Sep. 2022-sep. 2025: PhD studerende, Institut for klinisk medicin og afdelingen for Hjertesygdomme

Jan. 2010-jan. 2014: Cand. Scient. San, Aarhus Universitet

Jan. 2003-jan. 2007: Sygeplejerske uddannelsen, Rander sygehus

Ansættelser

Sep. 2022-sep. 2025: PhD studerende, Institut for klinisk medicin, Hjertesygdomme

Sep. 2014-sep. 2022: Projektsygeplejerske, Kardiologisk Laboratorium, Hjertesygdomme.

Maj 2009-2020??: Sygeplejerske, Akut hjerteafdeling AUH., Hjertesygdomme

Jan. 2007 -Maj 2009: Sygeplejerske, Akut afdeling, Randers sygehus.

Videnskabelige kompetencer

- **Forskningsområde:** Iskæmiske hjertepatienter, patient delay, Hjerterklap patienter.
- **Kurser:**
 - Introduction to Data Visualization
 - Become a productive and joyful researcher, Faculty of Health
 - Public and patient involvement in health research, Faculty of Health
 - Epidemiology I, Faculty of Health
 - Basic Principles of Epidemiology, Faculty of Health
 - Introductory course in questionnaire technique and clinimetrics, Faculty of Health
 - Artificial intelligence for scientific and academic writing, Faculty of Health
 - How to Communicate your PhD research, Faculty of Health
 - Project and Time Management: Risk & Coordinating with the Big Picture, Faculty of Health
 - Clinical Research, Faculty of Health
 - Research presenter - Educational Informatics, Faculty of Health
 - Retire statistical significance: a world beyond $p < 0.05$, NeuroCampus Aarhus, NorDoc, The Cardiovascular Network, The Inflammation Network, The Personalised Medicine Network
 - Registries, databases and other electronic data sources in clinical research
 - Basic Biostatistics - part 2, Faculty of Health
 - Basic Course in Written English, Faculty of Health

- Basic Biostatistics - part 1, Faculty of Health
 - Responsible Conduct of Research, Faculty of Health
 - Datamanagement & Stata, Faculty of Health
 - Introduction to Data Visualization, Course collaboration
 - Get ready to work with Biostatistics, Faculty of Health
 - Literature search in medical databases (Language English), Faculty of Health
- 1,5 mdr ophold på Neurofysiologisk klinik på Odense Universitetshospital Marts-Maj 2025

Ledelseskompetencer og administrative opgaver (udvalgte)

- Projektledelse/koordinering: NOTION 2 trial. Koordineret og sikret samarbejdet imellem Hjertesygdomme og Karkirurgisk afdeling på Aarhus universitet Hospital.
- B.la. ledt ovenstående studie igennem kontrol ved lægemiddelstyrelsen.
- Koordineret randomiseret studie imellem 3 sites i Danmark.
- Reviewer for International Journal of Cardiology.

Videnskabelige publikationer

- Total antal publikationer: 3 eg. European Heart Journal, Acute Cardiovascular Care.
- Førsteforfatter på 2 publikationer:
 - 1) Patient delay in patients with ST-elevation myocardial infarction: Time patterns and predictors for a prolonged delay
 - 2) Randomized comparison of rapid versus oximetry guided deflation of the transradial-band after coronary angiography or angioplasty (peer review).
- Andenforfatter på 1 publikation:
 - 1) Randomized Comparison of Terumo® Coated Slender™ versus Terumo® Noncoated Traditional Sheath during Radial Angiography or Percutaneous Coronary Intervention (peer review)
- Total antal citationer: 54, H-index: 2

Præsentationer på konferencer og møder

- Total antal præsentationer:
- Internationale/nationale konferencer (oral eller poster):
 - 1) Poster presentation 2016 (Patient delay in patients with ST-elevation myocardial infarction: Time patterns and predictors for a prolonged delay) Portugal
 - 2) Oral presentation: EuroPCR. Paris 2022 “Defaltion time”
 - 3) Oral Presentation: EuroPCR, Paris 2022 “Sheath size”
- Internationale/nationale faglige selskaber og møder (oral eller poster): Oral Presentation: Hesselet, Nyborg 2023 “Guidelines for handling of TR-band”

Vejledning af studerende, postdocs m.fl.

- Øvrigt personale: Projektsygeplejersker

Undervisningsopgaver

2024: Forskningsmetodologi, 3 semester sygeplejestud., VIA University College, Aarhus

2024: Folkesundhed, 3 semester sygeplejestud, VIA University College, Aarhus

2019-2022: Teoretisk og praktisk håndtering af Trans Radiale bands på kardiologiske laboratorier samt klinikker og sengeafdelinger, Odense Universitets Hospital, Gentofte Hospital, Aarhus

Universitets Hospital

2019: Hjertekursus, Aarhus Universitets Hospital

2018: Hjertekursus, Aarhus Universitets Hospital
