

Europass Curriculum Vitae

Personal information

First name(s) / Surname(s) **Katja Hjelgaard**
Telephone(s) +45 6196 8638 Mobile: +45 6196 8638
E-mail kahj@envs.au.dk
Nationality Danish
Date of birth July 6, 1984
Gender Female

Occupational field

Responsible for the Danish emission inventory and projection for both greenhouse gasses and air pollutants for emissions from industrial processes and product uses (IPPU) and waste reported under the UNECE Convention on Long Range Transboundary Air Pollution, the UN Framework Convention on Climate Change, the Kyoto Protocol, the EU Monitoring Mechanism and the NEC Directive. Has worked on projections for the IPPU and waste sectors. Contributing author to several chapters of the EMEP/EEA air pollutant emission inventory Guidebook.

Has been an expert reviewer for the IPPU sector and the waste sector for reviews under the UNECE and the 2017 NECD review.

Work experience

Dates October 2008 -
Occupation or position held Academic Associate
Main activities and responsibilities Main activities involve work concerning international reporting of Air Emissions Inventories to EU, UNFCCC, NEC, and CLRTAP. In addition to being the expert for the industrial and waste sectors my focus has been in investigating national emissions from new entries in the industrial, waste and product use categories.
Name and address of employer National Environmental Research Institute, Department of Environmental Science, Aarhus University
Frederiksborgvej 399, Box 358
DK-4000 Roskilde, Denmark

Education and training

Dates 2004-2008
Title of qualification awarded B.Sc. Chemical Engineering
Principal subjects/occupational skills covered Chemistry
Environmental chemistry
Air pollution control
Process design
Technical chemistry
Name and type of organisation providing education and training Technical University, Denmark

Personal skills and competences

Mother tongue(s) Danish

Other language(s) English
