

Therese Ovesen

Clinical Professor, DMSc, Sr.
Consultant ENT Department

INTRODUCTION

I am clinical professor and PI of the Department of Otorhinolaryngology, Head & Neck Surgery, and the University Clinic of Flavour, Balance and Sleep; Goedstrup Hospital. We are a multidisciplinary research team with the aim to advance our knowledge of all the common and frequent diseases within otorhinolaryngology, head & neck surgery - our senses and sleep in particular.
