- AUFF grant (supplementary pool). 2018 (DKK 60,000).

## Related professional experience

---

### Department of Political Science, Aarhus University

*Research assistant*

*Sep 2021–January 2022*

Full-time research assistant in the public administration section with research and teaching tasks.

### Central Denmark Region, Health Department

*6-month full-time internship and student assistant*

*Sep 2016–Aug 2017*

Provided me with insight in the organization of healthcare in primary hospitals. I have in particular worked with administration of large building and construction projects (in relation to construction of new hospitals), administration of emergency departments across Central Denmark Region and writing statements for local politicians.

### Department of Political Science, Aarhus University

*Research assistant*

*2015–2017*

Collected and conducted coding of data on two separate research projects for Professor Peter Munk Christiansen and Professor Helene Helboe Pedersen, respectively.

### Central Denmark Region, Defactum

*Student assistant*

*Sep 2014–Sep 2017*

Collecting and qualitative coding of data on patient satisfaction

## Awards

---

- Nominated for the 2020 prize paper of the Danish Society for Survey Research

## Skills

---

- o Computer skills: Proficient in STATA, LaTeX, R, and Microsoft Office. Some experience with SPSS, SAS.
- o Language: Danish, fluent English speaker and writer

## Personal interests

---

Outside my academic life, I am interested in football, enjoy playing padel tennis, and being active.
